Main Pages

Logged Out Main Page

Purpose: Landing page for unauthenticated users

Screenshot:

Features:

- System title/header
- Brief description of the service
- Two main action buttons:
 - "Login to Report" - redirects to Login Page
 - "View All Items" - shows public listings
- "Recently Lost Items" section with "View All" option

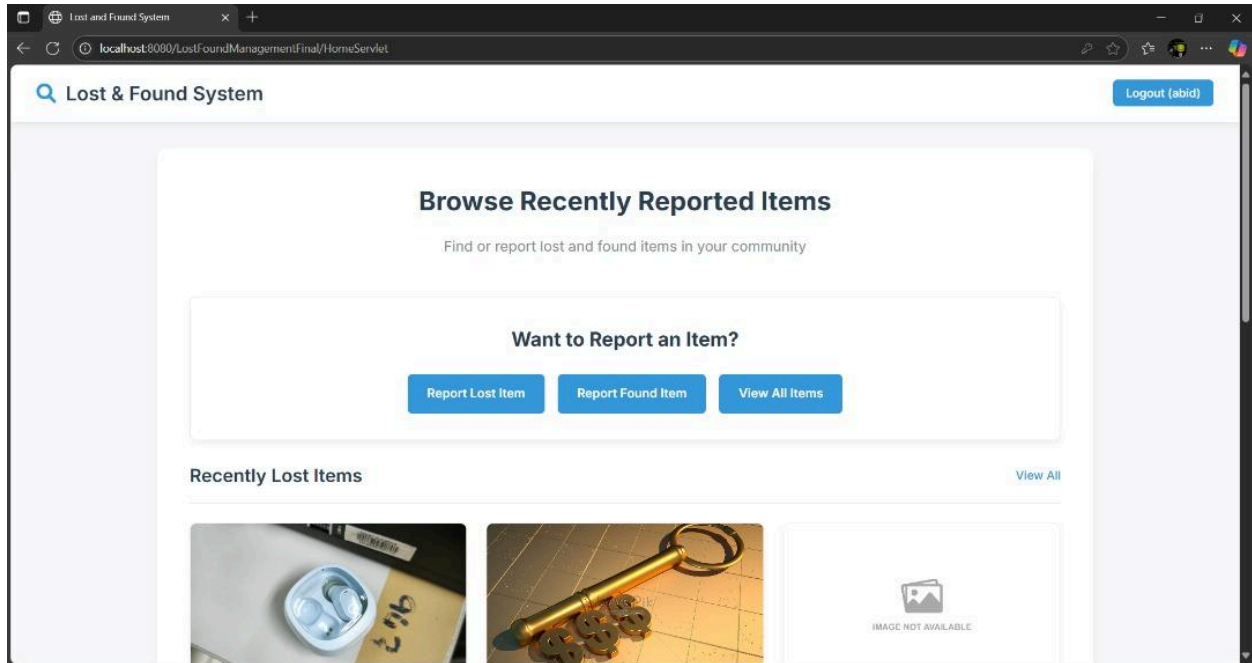

Navigation:

1. Click "Login to Report" to access account features
2. Click "View All Items" to browse current listings

Logged In Main Page

Purpose: Dashboard for authenticated users

Screenshot:

Features:

- Enhanced navigation options:
 - "Report Lost Item"
 - "Report Found Item"
 - "View All Items"
- "Recently Lost Items" section
- User is now able to submit new reports

Navigation:

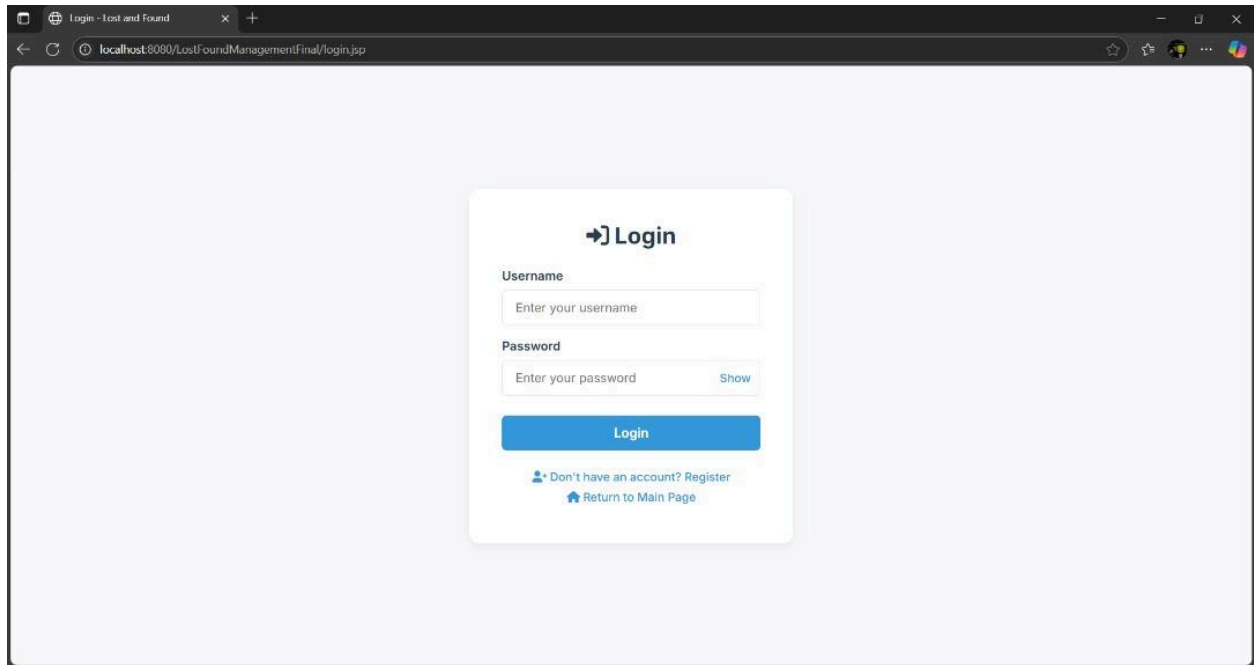

1. Select report type to create new listing
2. Click "View All Items" to see complete listings

Authentication

Login Page

Purpose: Access existing account

Screenshot:

Fields:

- Username (required)
- Password (required, with "Show" toggle)

Actions:

- "Login" button submits credentials
- "Register" link for new users
- "Return to Main Page" link

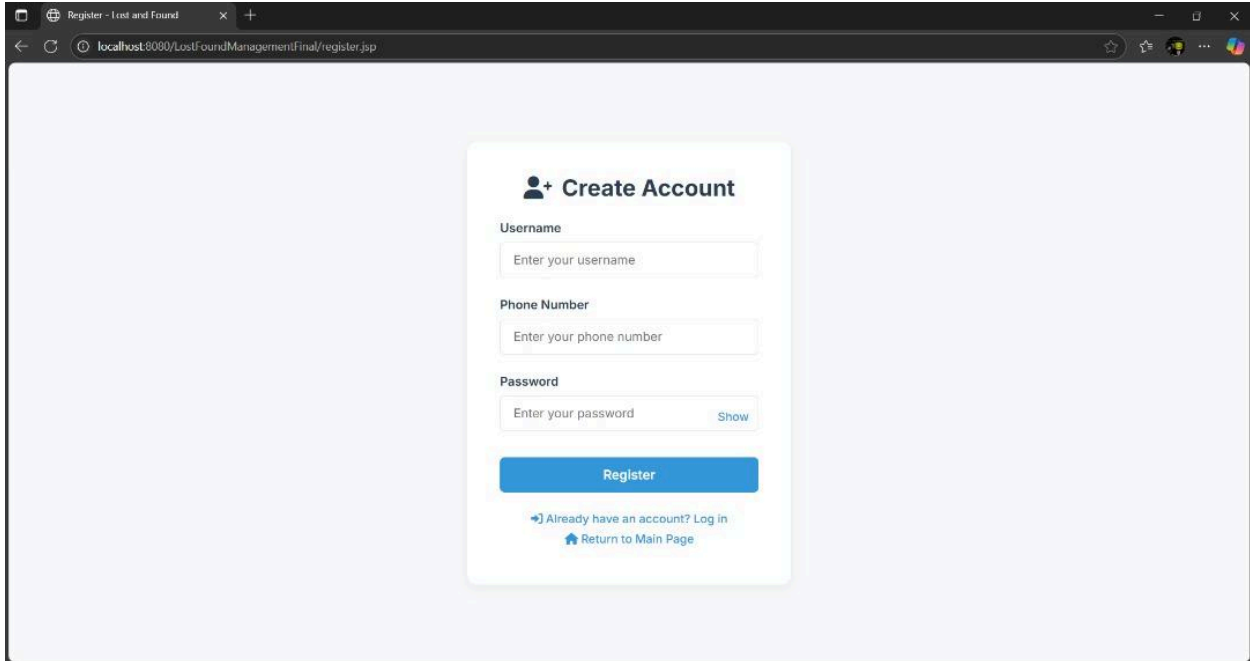

Process:

1. Enter username and password
2. Click "Login"
3. Successful login redirects to Logged In Main Page

Register Page

Purpose: Create new account

Screenshot:

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/LostFoundManagementFinal/register.jsp'. The page content is a 'Create Account' form centered on a light purple background. The form has a title 'Create Account' with a user icon. It contains three input fields: 'Username' with placeholder text 'Enter your username', 'Phone Number' with placeholder text 'Enter your phone number', and 'Password' with placeholder text 'Enter your password' and a 'Show' toggle. Below the fields is a blue 'Register' button. At the bottom of the form, there is a link 'Already have an account? Log in' and a link 'Return to Main Page'.

Fields:

- Username (required)
- Phone Number (required)
- Password (required, with "Show" toggle)

Actions:

- "Register" button submits form
- "Log in" link for existing users
- "Return to Main Page" link

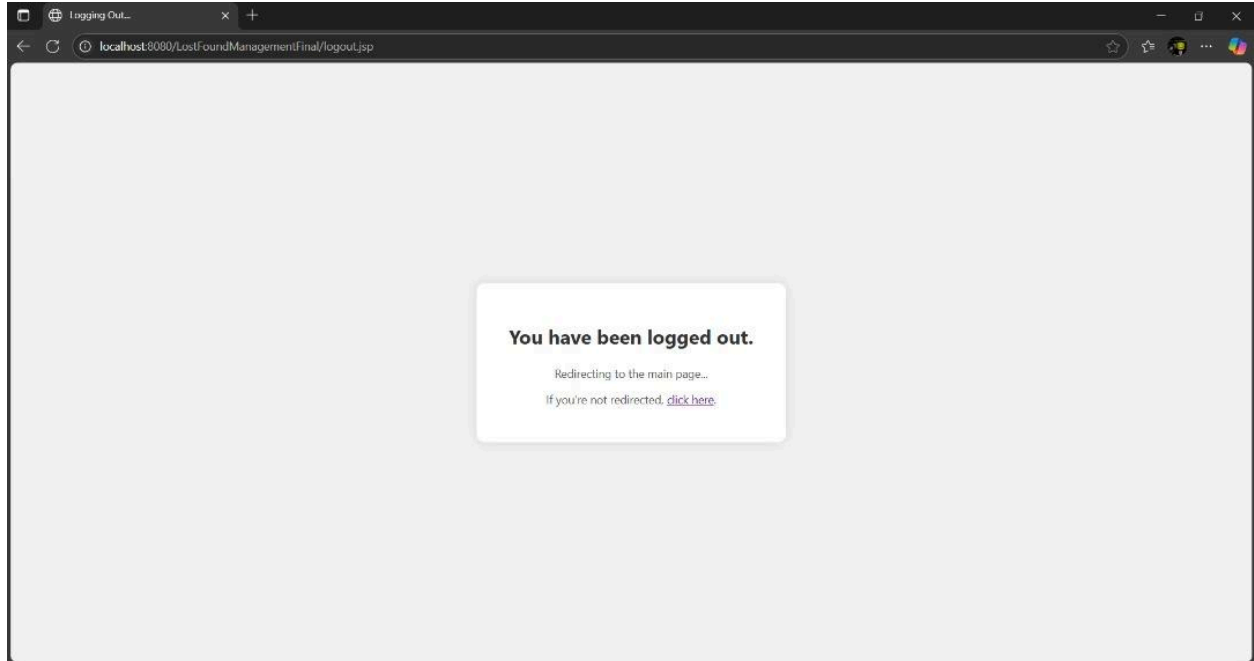

Process:

1. Complete all fields
2. Click "Register"
3. Account is created and user can log in

Logged Out Page

Purpose: Confirm session termination

Screenshot:

Features:

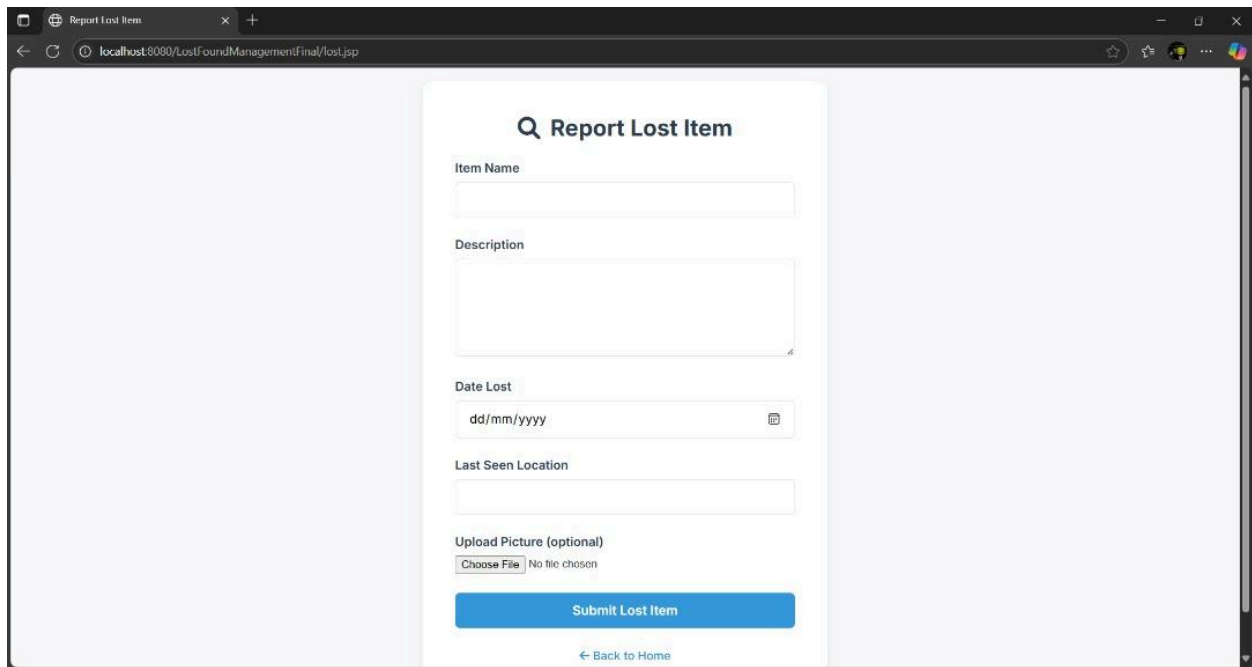

- Automatic redirect to main page
- Manual redirect link
- Confirmation message

Item Reporting

Report Lost Item

Purpose: Submit lost item report

Screenshot:

The screenshot shows a web browser window with the title 'Report Lost Item'. The address bar shows 'localhost:8080/LostFoundManagementFinal/lost.jsp'. The form is titled 'Report Lost Item' and contains the following fields:

- Item Name**: A text input field.
- Description**: A text area.
- Date Lost**: A date input field with the placeholder 'dd/mm/yyyy' and a calendar icon.
- Last Seen Location**: A text input field.
- Upload Picture (optional)**: A file upload section with a 'Choose File' button and the text 'No file chosen'.

At the bottom of the form is a blue 'Submit Lost Item' button. Below the button is a link that says '← Back to Home'.

Fields:

- Item Name (required)
- Description
- Date Lost (dd/mm/yyyy format)
- Last Seen Location
- Image upload (optional)

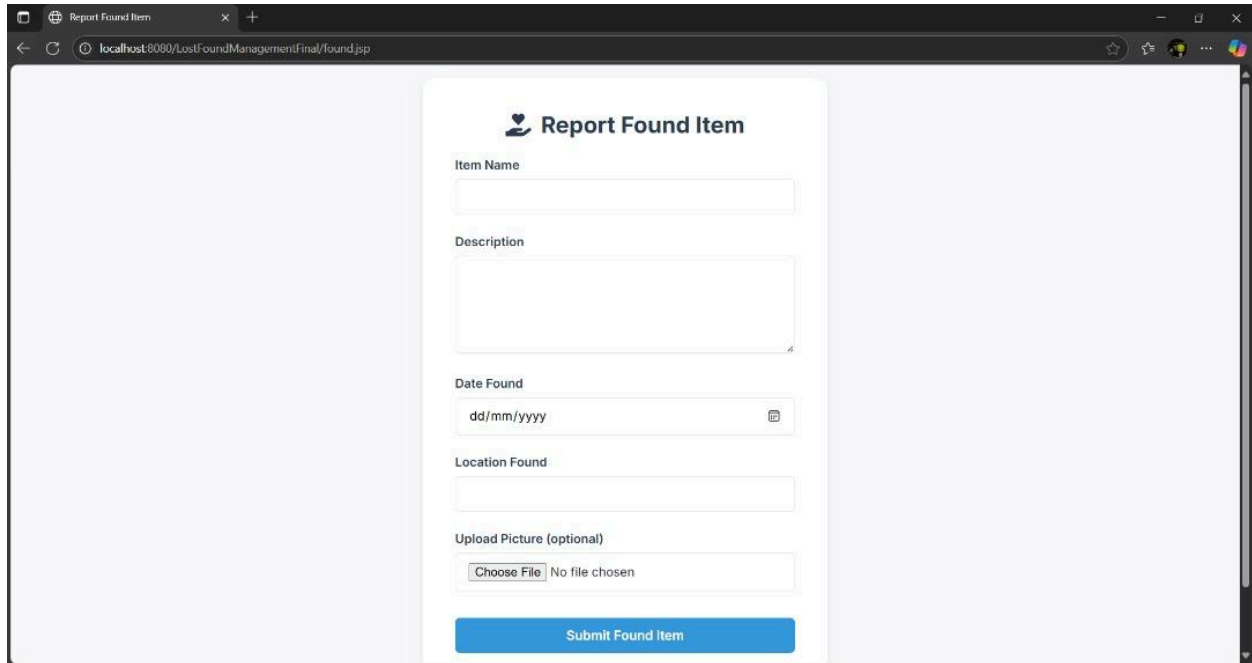

Actions:

- "Submit Lost Item" button
- "Back to Home" link

Report Found Item

Purpose: Submit found item report

Screenshot:

The screenshot shows a web browser window with the title 'Report Found Item'. The address bar displays 'localhost:8080/LostFoundManagementFinal/found.jsp'. The form is centered on a light blue background. It features a title 'Report Found Item' with a small icon of a person. Below the title are five input fields: 'Item Name' (a single-line text box), 'Description' (a multi-line text area), 'Date Found' (a date picker showing 'dd/mm/yyyy'), 'Location Found' (a single-line text box), and 'Upload Picture (optional)' (a file upload button labeled 'Choose File' and 'No file chosen'). At the bottom of the form is a blue button labeled 'Submit Found Item'.

Fields:

- Item Name (required)
- Description
- Date Found (dd/mm/yyyy format)
- Location Found
- Image upload (optional)

Actions:

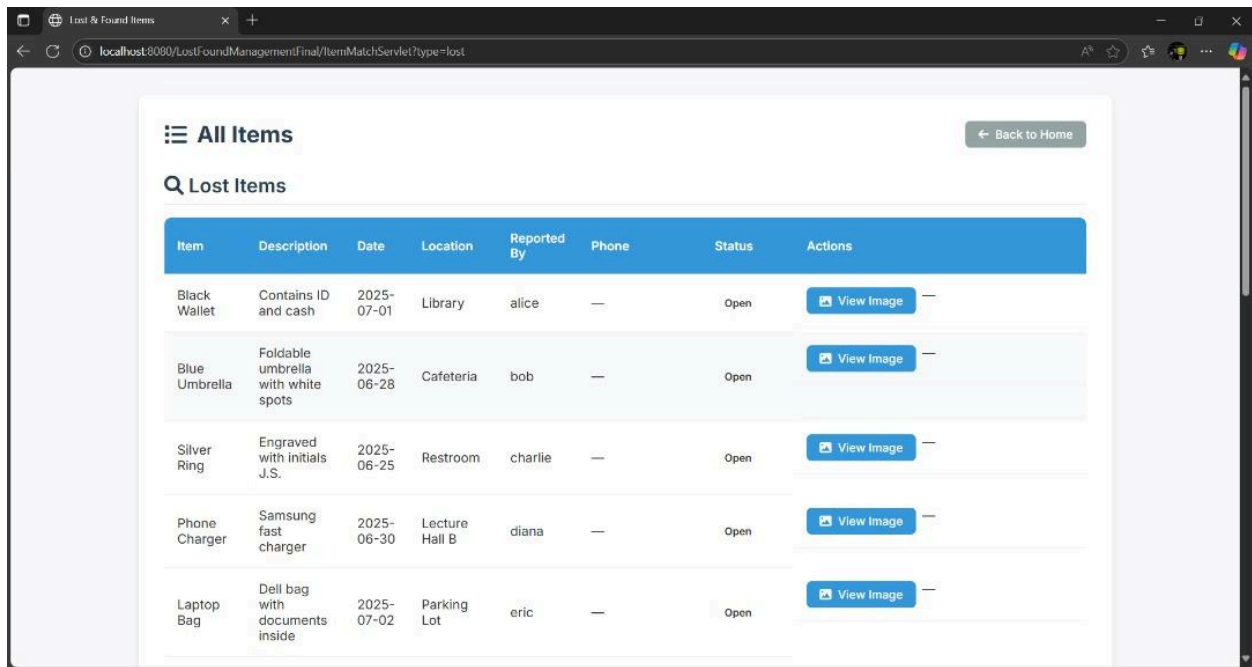

- "Submit Found Item" button

Item Management

View All Items

Purpose: Browse all reported items

Screenshot:

The screenshot shows a web browser window with the URL `localhost:8080/LostFoundManagementFinal/ItemMatchServlet?type=lost`. The page displays a section titled "All Items" with a "Back to Home" button. Below this is a search bar labeled "Lost Items". A table lists five items with columns for Item, Description, Date, Location, Reported By, Phone, Status, and Actions. Each item has a "View Image" button in the Actions column.
